

## Injury Occurs At work

- Report to local management, if injury is minor, then go to Medical Clinic for treatment
  - Report directly to the Medical Clinic with serious injury or dial **3-2323**
  - If Medical Clinic is closed, call security to file report, 3-2100
- 

Reporting to the Medical Clinic does not mean you must be treated by Company Doctors. You can request ER treatment of your choice

Reporting an injury to the Medical Clinic, does not mean you filed a Workers Compensation Claim

After initial treatment, report injury to Union Workers Compensation Representative and be sure to file an Accident Report with your Union representative
